In Los Angeles there is a publication called "The California Jewish Voice," and the masthead carries these words: "Largest Jewish circulation in the West." The editor, Sam B. Gach, in the issue of October 26, 1962, devotes a whole front page column, 21 inches long, to attacking me. Sam, be careful! Becoming excited like that is bad on the heart.

We read all the Jewish publications and all are the same. They have all been pulling for communism until about 1948, when it appeared that Bolshevism might not take over the world—and the Jews did not want to be on the losing side, so they began to soft-pedal.

Here is a sample of Mr. Gach in Jewish Voice, August 1941. This is the kind of people who smear us and want to control our government.

Lenin's Heritage

This month thousands of workers and progressive people throughout the world commemorate the death of the immortal theoretician, inspirer, organizer and fighter for the freedom of humanity, Vladimir Ilyich Lenin.

Lenin led the people of Russia from the dark night of tsarism to the highest stage of democracy. Lenin and his disciple and continuator Stalin guided the Russian people in the building of the great Union of Soviet Socialist Republics. Today all of humanity benefits from the moral and political unity, the courage and heroism, the resourcefulness and fighting ability of the Soviet people who are inflicting such significant blows against the spine of the entire Axis—Hitler's armies.

In the spirit of the Lenin heritage the Soviet Union has been first in many things. The Soviet Union has been the first to puncture the myth of Nazi invincibility, the first to wipe out the Fifth Column and render it ineffective, the first to teach Hitler's mechanized brutes the reality of retreat. The Soviet Union was the first country in which woman was fully emancipated, in which women took their place as equal, unrestricted builders of their land, economy and culture.

The Jewish people will never forget that the Soviet Union was the first country—and as yet the only country in the world—in which anti-Semitism is a crime.

Lenin's heritage is the heritage of complete equal rights for all peoples, of the abolition of national oppression. On this Lenin Memorial it is well to recall and reread the great documents of national freedom proclaimed by Lenin and Stalin with the dawn of the young Soviet Socialist Republics. These documents translated into life under the leadership of Stalin have guided one sixth of the surface of the earth from a prison of nations to the country in which millions of our brother Jews greeted their first dawn of freedom in security and equality.

We publish part of the decree on the uprooting of anti-Semitism, issued by Lenin on Aug. 9, 1918 and part of Joseph Stalin's statement on anti-Semitism to the Jewish Telegraphic Agency on Jan. 12, 1931.

Here is another nice one in Gach's paper:

Dr. Louis Reynolds, writing in California Jewish Voice, July 5th, 1946, stated: "I cannot conceive of any Jew in the role of an enemy of the Soviet Union. To me such a Jew is a monstrosity, a travesty of everything that is decent and right."

"We will bury you"

"We do not negotiate on the basis of the 'give-and-take' principle. We have nothing whatsoever to 'give'—we will not make any concessions, because our proposals do not form the basis for a barter deal."

(Khrushchev's speech in Tirana, May 30, 1959)

Bunche Faces Pair Who Tie Him to Reds

By ROBERT PARKER

Dr. Ralph J. Bunche, head of the United Nations Trusteeship Department, dramatically faced two accusers for more than 10 hours yesterday as a five-man U. S. loyalty board started closed door hearings on Communist infiltration of the UN staff.

Details of the meeting were not disclosed by late last night with the session still under way. But it was known that Bunche Nobel

Peace Prize winner, was brought face to face with two former Negro Communist leaders—Manning Johnson and Leonard Patterson—who accused him of Red sympathies and belonging to Communist front organizations.

WHO SMEARS US?

We have been smeared for so long we seldom read through the ridiculous things, and 90% of them go in the waste basket.

The Jews have brought attacks on themselves down through the years in every country of any consequence. They keep crying persecution, but never explain why they are the only people who experience this. The Jews would have us believe they are right and the whole world is wrong. Being aware of their guilt for hundreds of years in Europe, when it appears that some one in the U. S. is going to expose them, they are so touchy they become hysterical. They remember being run out of practically every country in Europe—four times out of England.
